The Donor

Subject: Request for Donation For our trust for Construction of Hospital Project.

I, Narayanaswamy, president, am writing on behalf of the **Shree Shakti Naga Kshetra Medical Educational Trust**. Over the past six years we have been providing children from our surroundings community with free care, counseling, tutoring and mentoring. Many of these Children come from broken or abusive home and our center is a haven for them, whenever they need it.

This is only made possible through the generous funding we have received from members of our community and the citizens of India like you. This year though we are specifically seeking donations to construct hospital building and to purchase machinery items. As an educated person like you would understand, the importance of health care.

We hope that you will be able to join us in funding the development of hospital. We are specifically seeking donations.

Any support will be highly appreciated by us and the kids that we provide a service to. If you have any queries please feel free to contact me through the phone number above or via email at shreeshakthinagakshetrametrust@gmail.com. And hereby we authorize Mr. Rajashekara Sharma, secretary of the trust, to interact with you and his photo is attested below .

Yours Sincerely,

For SHREE SHAKTI NAGA KSHETRA
MEDICAL EDUCATIONAL TRUST (R)
